(You can use the following blurb to share information about the festival via newsletter, email, your website, etc)

The **virtual London Careers Festival** will be hosted by the City of London Corporation between the **28th June – 2nd July 2021** for **primary, secondary and post 16 pupils**. The event is designed to **connect students with the world of work and skill building opportunities**, so not only are they introduced to the diverse array of opportunities offered across Greater London and beyond, but to fuel their imaginations and help inform and shape their futures.

The festival will look to offer webinars, workshops and easily accessible resources to support pupils to **explore a wide range of skills and career related opportunities** as well as help schools to meet their **Gatsby benchmarks**. Over **120 organisations and 5000 students** attended the event in the last two years and the plan for virtual 2021 event is bigger!
